I agree to pay the full cost of non-standard service and agree to abide by the terms and conditions of service as described in CBCWSC Tariff to include connecting to service and using the same as soon as it is made available. I am the property owner and understand that in order to obtain service: I must become a member of the corporation, I must grant an easement across my property, and that service may require additional facilities. I understand that CBCWSC is not required to extend service to any applicant outside of its certificated area and will do so under terms and conditions mutually agreeable to the corporation and applicant, in compliance with TCEQ rules and policies, and upon extension of the corporation's certificated service area boundaries by the TCEQ. I will not retain interest in any facilities provided. Any facilities provided under any agreed terms shall be the sole property of CBCWSC.
